IMS Common Cartridge	1	9	Dublin Core	9	5
IEEE - LOM	9	4	EFramework		9
British Standards		9	ELF		7
OKI OSIDs	1	7	Other (please specify)	SRU/W	

4. How useful overall did you find this SIG meeting?

Very useful 10 Useful 6 Neutral Not useful

Please add any suggestions you may have (such as: smaller, more frequent meetings; meetings focused on a particular area; two-day workshops with more time for discussion)

*More frequent in different parts of the UK
Something other than coffee to drink at breaks*

Please turn over

5. Which sessions did you find most useful? (Please tick as many as apply)

Introductions and updates	1	PEDESTAL	5
David Davies	15	DIDET	5
SRU demo (Charles Duncan)	11	RESOURCE BROWSER	5
		SWORD	8

6. Which topics discussed at the meeting would you like to learn more about?

*SWORD
Missing SRU (CQL) and RSS/ATOM
Use of RDF
RSS, Pipes/mash-ups, SRU, integration between repos., VLEs and social networking tools
APP
ResourceBrowser
Web 2.0
The connection between repository technology and emerging technologies like wikis, blogs, other Web 2.0 technologies
I missed not having an update on recent standards body activities*

7. What would you like to see discussed at future SIG meetings? Please include your own work if you wish, and contact details, or contact the coordinator separately.

*More case studies of people/projects doing IT for real rather than just talking about it
Ontology browsing (RDF, OWL, SKOS, named graphs)
Integration of repositories with VLEs, e.g., through RSS, etc.
Second Life, SURLS, SLOODLEE and e-learning
Communities
More on technical standards supporting social networking*

8. Do you have any other comments or suggestions?

*Great session
This was a most excellent meeting on all levels
Really good to see the links between formal and informal repositories
Great day, thanks, very useful
Good speakers/programme... Lovely lunch
Great meeting – as always at Strathclyde – great food*

If you are not on the MDR/EC SIG mailing lists and would like to be, please put your email address below and you will be added.

Thank you for taking the time to complete this form.

Please return to CETIS staff on the day, or to:

Sheila MacNeill, JISC CETIS EC SIG Coordinator
CAPLE, Graham Hills Building, University of Strathclyde, 50 George Street, Glasgow G1 1QE.
